

SA533G

Features:

- ◆ Output 4 vertical and 1 horizontal green laser lines, 6 dots
- ◆ Self-leveling, beep and light blink alarm when beyond self-leveling range
- ◆ Compatible both indoor and outdoor application
- ◆ Instrument base could be rotated by 360° freely
- ◆ With tilt function
- ◆ Touch key board

Specifications:

- ◆ 4V1H6D model
- ◆ Working range: 25m (without laser detector)
- ◆ Laser line wavelength: 532nm LD; Dot wavelength: 650nm
- ◆ Laser class: Class II
- ◆ Accuracy: $\pm 1\text{mm}/5\text{m}$
- ◆ Self-leveling range: $\pm 2.5^\circ$
- ◆ Working temperature: $-5 \sim 45^\circ\text{C}$
- ◆ Power: Li battery or AA battery
